

ASSOCIATION OF AMERICAN SCHOOLS
OF CENTRAL AMERICA

2019 AASCA Principals' Conference
Decameron Salinitas, El Salvador
April 24th - 28th

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Vision

Promoting exemplary education in Central America

Mission

AASCA provides opportunities for member schools to collaborate for the enhancement of learning, social responsibility, international mindedness and professional growth.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Schools not represented:

St. Augustine Preparatory School, Nicaragua
Lincoln International Academy, Nicaragua
Marian Baker School, Costa Rica
Happy Days School & Freedom High School, Honduras
Del Campo International School, Honduras
Colegio Interamericano, Guatemala

AGENDA

Wednesday, April 24th

- Travel to El Salvador (Various times)
- Check-in hotel 3PM
- Dinner **Oliva's Restaurant** - 6:30 pm

Thursday, April 25th

- Breakfast at **Chack Balam Restaurant** (7AM)
- **Sala Tulum**: AASCA Minutes 2017-18/New Business (8AM - 12PM: 10AM Break ARABE)
- Lunch at **Chack Balam Restaurant** (12PM - 1PM)
- **Sala Tulum**: Committee Assignment Reports (1PM - 4PM: 2:30PM Break CHEF'S CHOICE)
- Dinner at **Bamboo Thai Lounge/Bar** - 6:30PM

Friday, April 26th

- Breakfast at **Chack Balam Restaurant** (7AM)
- **Sala Tulum**: AASCA Calendar (8AM - 12PM: 10AM Break MEXICANO)
- Lunch at **Chack Balam Restaurant** (12PM- 1PM)
- **Sala Tulum**: Review Event Reports/Elections (1PM - 4PM: 2:30PM Break CHEF'S CHOICE)
- Dinner at **La Mar Restaurant** - 6:30 PM

Saturday, April 27th

- Breakfast at **Chack Balam Restaurant** (7AM)
- **Sala Tulum**: Jane Pollock Seminar (8AM - 2PM: 10AM/12PM Break AMERICANO/CHEF'S CHOICE)
- Lunch at **Chack Balam Restaurant** 2PM- 3PM
- Closing at **Dinner Maya Grill Restaurant** - 6:30 PM

Sunday, April 28th

- Breakfast at **Chack Balam Restaurant** (7AM)
- Return to home countries (Check out 1PM)

2018 Meeting Minutes

April 27 & 28, 2018

Due to internet bandwidth issues, the ability to transcribe collective minutes was inhibited. Break out sessions for specific issues were managed using specific administrator groups. Four topics were addressed using this process: Knowledge Bowl, Drama Festival, Middle School Sports Festival and other requests from the Athletic Directors. Discussions related to the issues of hosting unified AASCA events were completed with input from the entire group.

After the break out sessions were completed, presentations of the findings from those sessions were presented, briefly discussed and approved. These handbook addendums are located at the end of this document.

AASCA Small and Large School Letter Review from ADs

EIS: AASCA Volleyball positive experience....kids enjoyed....EIS wants at least one unified tournament.

AST: Long term conversation....first...unified but only one attempt..and that was lasting for 10 years...logistical concerns...how many games played? Purpose is interaction...students all together..and that is a positive..but small schools may be intimidated.

CISS: Small school participation is hindered by large tournaments...large school logistics of students interacting is lost with multiple venues...prefer to return to separate tournaments

CIG: Issue of small schools participating inhibits the separation. Logistics of small schools hosting is problematic.

BALBOA: Change of AD has inhibited school's participation.

CIG: Determined that each country can host volleyball and that may still be unified. But soccer and basketball should return to separate tournaments.

PANAMERICAN SCHOOL: Schools have trouble with flights and other logistical tournament problems....

CISS: Food lines and hotel accommodations were problems at volleyball.

Village will send updated numbers of enrollment

VOTE: General sentiment among schools was the AD's are the experts in this area and should be trusted regarding this matter. AD's presented a compelling case outlining the need to separate some tournaments due to logistical challenges of hosting such large events.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Large majority (only 5 no votes) of schools voted to accept the AD proposal regarding the organization of AASCA tournaments. Basketball, Soccer, and Volleyball will be separate events, all other AASCA events (Leadership, Knowledge Bowl, Science Fair, Track and Field will remain unified). One exception to the AD proposal was that Balboa, DCIS, Freedom should be added to Red group.

Community Service Projects: LIA of Nicaragua: ANDL Diabetic children assistance/unanimous vote to receive AASCA award.

Please see the highlighted information at the end of the AASCA Science Fair Event Report. This was not noticed until after the meeting was adjourned.

Other Topics of Concern:

1. Eligibility of students on scholarship who participate in AASCA events: What can be done to insure fair expectations of participation? Discussion revolved around various criteria at schools: discipline/academic/other. General consensus was that this is an area of concern without any means of enforcement and an issue to be addressed by General Directors.
2. Creating a sportsmanship team with one student per school instead of school award. Give an award of model students per school. This proposal received full support from principals for providing another non competitive aspect to AASCA events. Sportsmanship is celebrated and honored among all participants/schools.
3. Flag of Panama needs to be corrected on AASCA documents to correct position. Apparently the flag is displayed upside down with the star on the wrong corner.
4. AASCA online needs to be updated
 - **AASCA WEB** <http://www.aascaonline.net>
 - When event is happening add **@AASCAonline** to your Twitter feed so Tita can connect on Twitter and she can retweet this. Escuela Internacional Sampedrana (EIS) has achieved success with this technique.
 - At start of year, Tita sends a Google sheet for **ENROLLMENT CHART. Please update.**

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- Schools need to update their information at the start of the year on the Google Doc for the **DIRECTORY OF SCHOOLS**. She will then update information on the site.
- **EMAIL LISTS** - please check so these are accurate and updated.

Additional Points of Discussion

General Directors' Minutes 2016

http://aascaonline.net/images/minutes/directors/2017_05_GDM_Miami.pdf

- Approval of GD meeting minutes from May 2016.
 - o b. High School Principals and Directors Meetings. Consequences: failure to comply with the attendance policy will result in suspension from all AASCA student events and activities for the following school year.
§ This needs to be cleared up and who enforces it?
§ 8 ADs did not attend the AD conference in January. Are their schools out for next year?
- Fees payment. Each school pays the fees by transfer. The paying school must assume the transfer fees.
 - o This needs to be added to the AASCA Events Manual in section. 2.2. Many schools are still paying by check and not all banks are accepting the checks or charging as much as \$200 to deposit them.

2017-18 AASCA EVENTS MANUAL

http://www.aascaonline.net/images/student_activities/AASCAEventsManual2017.pdf

- Hudak Hendrix/Alan Walls EAS have agreed to edit the AASCA manual and cleanup the grammatical errors as well as provide minor updates.. For example: Section 3 mentions “fax numbers” as well as others examples listed below:
 - Chapter 1.
 - o 2.2 See above.
 - o 4.1 and 4.2 have the same text.
 - o 4.3 mentions “snacks and soft drinks.” Should it be a proper dinner? It is a travel day and the kids are hungry. Also, the night before the first day of competition. If it is just a snack, after the opening ceremony (late) the teams have to go looking for a place still open to eat a full dinner. Not always available.
 - o 4.4 Opening and closing ceremonies will be conducted in English (Approved last year but expectation has not been followed)

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

o 5.1 Medical Assistance. This needs to be taken out as the host schools are no longer responsible to pay. All schools pay their own hospital/medical bills either by cash/school CC or via their insurance coverage.

· Chapter 2

o 1.1 “7 to 11 teams.” Should say 8 to 11 teams...

o 1.5 Game Schedule and Playing Format: we submitted new formats and criteria (point 8 of the AD meeting minutes) that is much more detailed for less than 4 teams to 24 teams in the case that the unified tournaments continued. These formats would replace the current ones in the manual. Not an issue for discussion by the principals nor the GDs as it is a technical issue that should be left up to the ADs.

o 1.10.5 Protests: copies of the form should be available on site as well as at least one copy be included in the event manual given out at the coaches/AD meeting.

o 1.11.1 bullet point 5: why is there a designation between big and small school divisions? Should be the same.

o 3. Basketball 3.7: Is it 20 points or 30 points? The info in the paragraph is repeated again in the bullets. Redundant.

2018 AD MEETING MINUTES

It is very important to review the costs of the events and make sure the fees are enough to cover all expenses. Host schools this year either lost \$1000s or needed cash/product sponsors to cover costs.

Meeting minutes approved by unanimous vote.

Elections for 2018-2019 (revised September, 2018)

President: Loa Midford - CAG

Vice President: Hudak Hendrix - EAS

Secretary: Gloria Palacios- Discovery School

Bob Sinnett will be in charge of the SOSA awards

Share crisis response and child protection policies and other AdvancED documents as requested.

VOLLEYBALL	EAS WITH PANAMERICAN, MAYA AND CISS	MARCH 25-29
AD MEETING	VILLAGE / PANAMERICANA EL SALVADOR	
MS SPORTSMANSHIP FESTIVAL**	EIS	

PLEDGES 2020-2021		
EVENT	SCHOOL	PROPOSED DATE
BASKETBALL	EAS WITH PANAMERICAN AND MAYA	OCTOBER
TRACK	MAYA / CAG / CDA	NOVEMBER
SOCCER	LIA & ANS / DCS	FEBRUARY
SWIMMING	CAG IF NOT TRACK	MARCH
TENNIS	PAS / EIS	MARCH
VOLLEYBALL	LIA & ANS / AST	APRIL
AD MEETING	AIS / CAG / ISP	APRIL
MS SPORTSMANSHIP FESTIVAL	DISCOVERY & AST	

* Swimming and tennis can be also hosted by the same schools on the same dates as it happened at ANS in October 2017.

** It is recommended to schedule MSSF sometime during the first semester in order not to overload the second semester with sports activities.

NAME OF UNIFIED TOURNAMENTS

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Unified tournaments started in the cycle 2017-2018. Before that there were small and large tournaments for basketball, volleyball and soccer played separately and an invitational tournament for each sport every third year.

Each tournament (official or invitational) had its own number since the year they first started.

From now on all the tournaments will be called with a number without specifying official or invitational.

For example, the volleyball tournament played on April 3-7 was number 27.

INAUGURATION CEREMONIES

They should last 45 minutes maximum including the parade.

HEAD OF GROUPS

Starting next school year (2019/2020), the organizing committee for the soccer, basketball and volleyball tournaments will form as many groups as necessary placing as head of groups the best teams from the previous year and the host teams. Details are provided below:

GROUPING

1. There will be as many bowls as number of groups necessary to accommodate all the participating teams
2. Distribution of bowls will be as follow:
 - Bowl # 1. Group heads: the best ranked teams from the previous tournament + the host school.
 - Bowl # 2. The best ranked schools from 6th to 10th from the previous tournament.
 - Bowl # 3. The best ranked schools from 11th to 15th from the previous tournament.
 - Bowl # 4. The best ranked schools from 16th to 20th from the previous tournament. Any school (team) that had not participated in the previous tournaments will be included in bowl # 4 automatically.
 - Bowl # 5. This Bombo will contain letters from "A" till necessary, as many as the number of groups needed.
 - Bowl # 6. This bowl will contain numbers from 1 till necessary, as many as the number of schools per group needed.
3. All the bowls will be empty assigning each institution to each of the groups.
4. All the balls will be taken out from each bowl before proceeding to the next one.
5. According to the standard procedure, firstly a ball will be taken out from the schools' bowl and after that a ball will be taken out from the group's bowl in order to assign the order in which games will be played.
6. In bowl # 1, the host school will be assigned position A1, the rest of the schools of bowl # 1 will go automatically to position 1 of each group while from bowls 2, 3 & 4 in random manner institutions will be drawn to complete the groups.
7. In alignment with AASCA rules no group should have two teams from the same country; though there is a chance that this condition is not met all the time due to the number of participants from different countries.

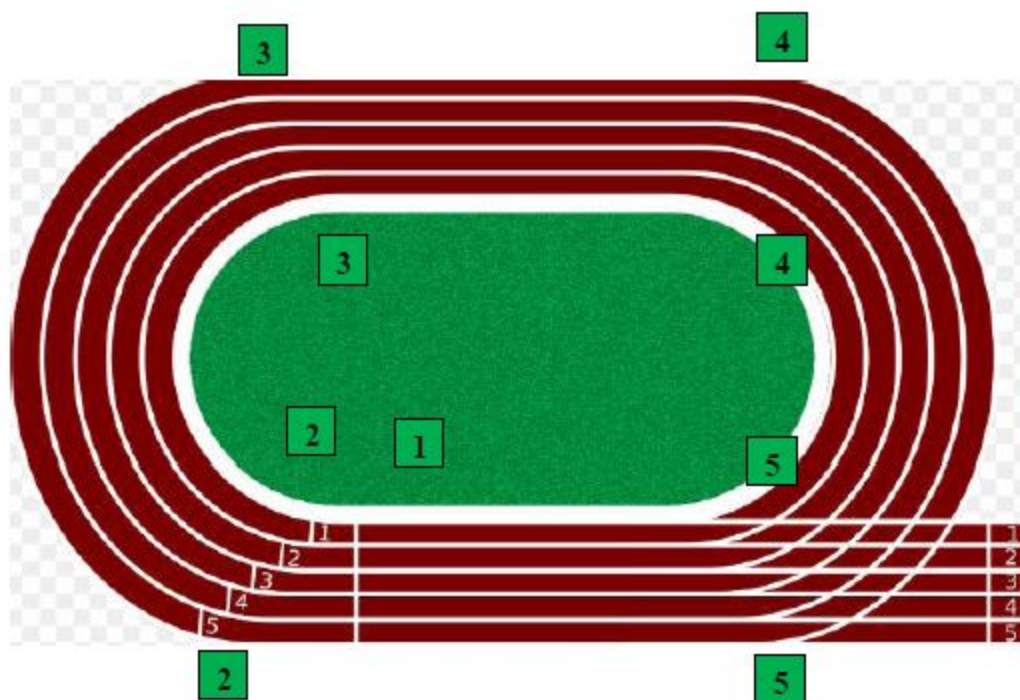

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

8. The distribution of schools to groups according to the criteria of their country may mean that a school needs to be excluded from one group (and skipped to the next group) if another team from their country is already in that group.
9. If a group is skipped due to the geographical rule, the committee will return to that group to continue the draw.

USING TECHNOLOGY IN TRACK & FIELD AND CROSS COUNTRY EVENTS (Pilot for 2019/2020)

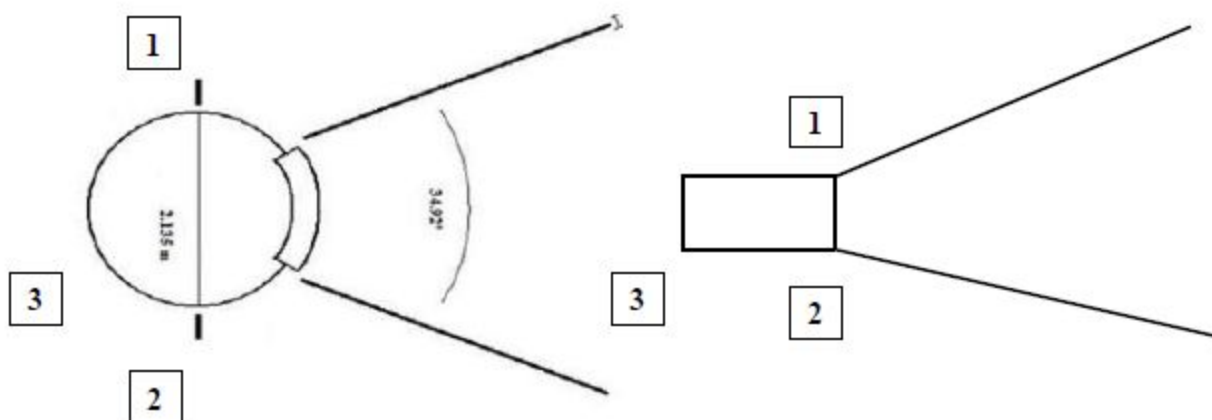

- In 2019-2020, besides the photo finish technology which has been used over the years, AASCA track & field and Cross country events will use additional cameras to help referees in controversial situations.

TRACK AND FIELD PLACING OF CAMERAS FOR TRACK EVENTS

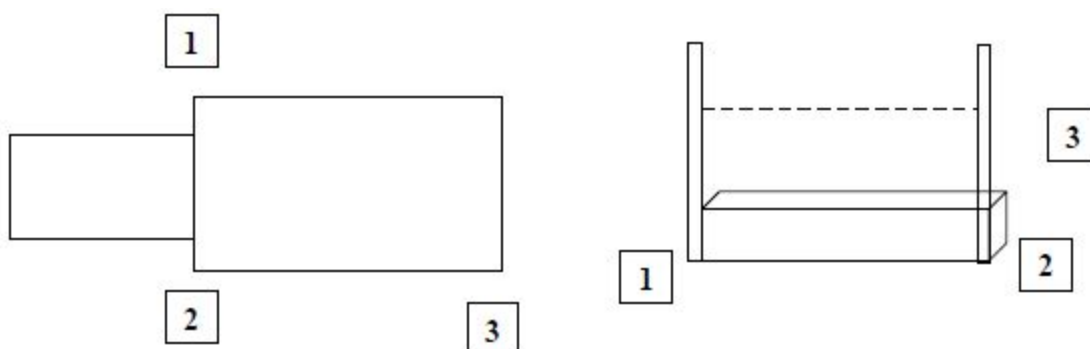

Camera #	DESCRIPTION
1	FINISH LINE: Photo finish equipment, computer , printer , etc.
2,3,4,5	Starting of relays and 400m, 800m etc. dash races.

PLACING OF CAMERAS FOR THROWS

Camera #	DESCRIPTION
1,2	A 2 metros de círculos o de carrera acelerativa, 0.95 cms. de altura y 130°. de visión periférica (tabla de batida y técnica individual)
3	A un metro del círculo o zona de aceleración, 0.95 cms. de altura y 130°. de visión periférica (zona de caída)

Camera #	DESCRIPTION
1,2	A 1 metros de la tabla de batida y/o Listón, 0.95 cms. de altura y 130°. de visión periférica (tabla de batida y técnica individual)
3	A un metro de la tabla de batida y/o listón, 0.95 cms. de altura y 130°. de visión periférica (zona de caída)

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

CROSS COUNTRY
DESCRIPTION
Ubicación estratégica por cámara, máximo 5 cámaras (1 cada 200 mts.)

- The new standard registration form for all AASCA sports events has been approved.

EXTRA TIME IN SOCCER

Starting next school year (2019-2020) no match in soccer will have extra time. If a match ends tied and it is a situation in which it has to have a winner (non-group games), as soon as the match ends, PKs will take place.

GOAL AVERAGE VS GOAL DIFFERENCE IN SOCCER

To modify in the soccer section of the AASCA Manual the phrase GOAL AVERAGE and write instead GOAL DIFFERENCE.

LIVE STREAMING IN AASCA SPORTS EVENTS

Live streaming is not a must in order to host an AASCA sports event. It is optional and it is up to each host school.

--------------	----	-------------

AASCA SPORTS EVENTS OF 2018-2019

The AD who hosted tournaments gave a brief report of their tournaments.

Manuel Mancia, Basketball at LCR in October 2018.

- A colorful inauguration ceremony though it took more than an hour.
- The games took places at LCR courts (3) and in a gym nearby LCR.
- Good food during the closing ceremony.
- Some parents as spectators were quite disrespectful even to players.
- Try to get the stats faster. Using an App was a suggestion.

Alan Walls, Track & Field at EAS in November 2018.

- Both the track & field events and cross country events took place at EAS.
- In weeks prior to the tournament, there were some concerns from a couple of schools about including students in grades 6 and besides that some of them were not 12 years old by the first day of competition. This issue has been discussed in this Meeting.
- This very demanding tournament was professionally managed before, during and after the tournament.
- Concerns arose about some events taking place during dark hours.

Matt MacInnes, Soccer at ISP in February 2019.

- It was the first AASCA tournament hosted by Mr. MacInnes. He consulted all the time with the AD Board which helped him a lot to avoid mistakes.
- The majority of the fields were in excellent conditions.
- The stats were always timely delivered.
- The tournament received lots of positive comments
- There was a recommendation that for the future, anytime, anywhere where placing tents, they must be anchored properly. There were a couple of times that tents at La Hacienda fields flew away from their places. Fortunately, there were no accidents reported due to this situation.

Andres Leon, MSSF at PAS in March 2019

- This is the second time Mr. Leon hosts this MSSF.
- ADs who have attended MSSFs several times, coincide that this a wonderful Festival which is totally different than any other AASCA event in which winning is one of the main goals. In MSSFs making friends, having fun and cultivating sportsmanship has been and will continue being the first priority.
- Mr. Leon thinks that it will help a lot if participants send in advance the students jerseys' sizes.
- He also reinforces the idea that ADs in their registration process should include the positions athletes play the better. That will help enormously when forming the tournament tribes.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Fernando Martinez, Tennis at DCS in March 2019

- 6 schools
- 50 athletes
- 5 courts
- Inauguration and closing ceremonies were short
- Technical meeting, short and clear
- One monitor per court that allowed the matches to be fast and on time.
- New tennis balls were used for every match.
- Copa Davis format
- ADs think that charging \$900 per school regardless the number of teams/students per school is not right. The suggestion to be approved by DGs is \$300 if one team, \$ 600 if two teams, if three or four teams: \$ 900.

Jose Figueroa, Swimming at CAG in March 2019

- 10 schools
- 121 participants
- The event took place fully at CAG
- ADs present commented that allowing this tournament to take place in three days was a good decision instead of two days as it has been since ever.
- Other comments were: the officials' job was very professional, touchpads was a great plus, livestreaming fantastic, chapin hospitality was great.

MSSF REGISTRATION FEE

The MSSF registration fee which is \$ 700 per team should be included in the AASCA Manual.

MEDICAL ASSISTANCE

Update the AASCA Manual with this statement to be in alignment with what DGs approved in their 2015-2016 Meeting.

"It is required that all AASCA sports events participants are covered by medical or accident insurance. An emergency fund is also recommended for traveling teams.

Accident and Sickness Insurance is mandatory for all AASCA events".

GOLD, SILVER AND BRONZE DIVISIONS AWARDS

Gold division: 1st to 4th place banners

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Silver division: 5th to 8th place banners

Bronze division: 9th to 11th place banners

Medals will be given only to teams who finalize 1st to 3rd place.

Banner for the 4th place of the gold division will say "GOLD DIVISION OUTSTANDING PARTICIPATION"

Banner for the 5th, 6th and 7th place will say: 1st place silver division, 2nd place silver division and 3rd place silver division, respectively.

8th place banner will say "SILVER DIVISION OUTSTANDING PARTICIPATION"

Banners for the 9th, 10th and 11th place will say: 1st place bronze division, 2nd place bronze division, 3rd place bronze division, respectively.

In case of tournaments with less than 16 teams only gold and silver division will receive a banner.

14 TEAMS FORMAT

4 groups of 3, 3, 4 and 4. Top 2 teams in each group advance to an 8-team tournament. Quarterfinals, semifinals and finals for places 1-8. The other 6 teams play in a 6-team tournament (8-team tournament format). The third place teams from the two groups of 4 receive a bye to the semifinals. Quarterfinals, semifinals and finals for places 9-14. 4-6 games each team. 37 games total.

YELLOW CARDS IN SOCCER

Three yellow cards in different matches will lead to suspension of the following match. No amnesty.

Two yellow cards in the same match will lead to suspension of the following match.

EXTRA WATER BREAK FOR HYDRATION IN SOCCER

The rule of having a mandatory 2 minutes break at the 15th and 45th minutes in games between 10 am and 2 pm still stands.

If both teams agree and depending on the weather conditions, a two - minutes water break can be also authorized in games played earlier than 10 am or later than 2 pm.

In any case, those two minutes will have to be added at the end of the half.

CLARIFICATION ON STUDENTS AGES

To avoid confusions or misunderstanding, when referring to a category that allows students below an age for instance U19, meaning students who do not reach the 20, from now on AASCA will call it 19-U which means 19 years old and under. 14-U means 14 years old and under.

NEW RULES APPROVED BY INTERNATIONAL ORGANIZATIONS

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

AASCA sports tournaments will apply any rule approved by International Federations before September of that same school year.

OFFICIALS IN BASKETBALL AND VOLLEYBALL MATCHES

- a) Basketball: Two refs on the court, two on the table. All the tournament matches.
- b) Volleyball. Three refs in the classifying stage and 5 in the championship matches.

ANTHEMS DURING THE INAUGURATION CEREMONIES

Only the US and La Granadera.

SWIMMING AND TRACK & FIELD AASCA TOURNAMENTS

ADs hereby ask DGs to go over the proposal for the new swimming and track and field sections below.

This was discussed in details during the meeting and it was passed unanimously.

If approved by DGs, the new sections will be in place starting 2019/2020.

For soccer, volleyball and basketball, it will remain the same, as it has been since AASCA was founded: only students in grade 7th and up are able to compete.

SECTION 5: TRACK & FIELD/CROSS-COUNTRY

- The tournament will submit to AASCA and International Association of Athletics Federation (IAAF) rules.
- Cross-country (CC) is an event of the track and field AASCA Tournament.
- The AASCA Track and Field Tournament organizing committee will solve issues not specified in this manual.

5.1. Participants and Divisions

- Eligibility:
Athletes in 6th grade, from 11 years old (Must be 11 on the first day of the Tournament) up to 12th grade, 19 years old (Must be younger than 20 on the first day of the Tournament). Age will be determined on the first day of the Tournament.
- Divisions:
 - 14 years old and younger boys (11 to 14 years old).
 - 14 years old and younger girls (11 to 14 years old).
 - 19 years old and younger boys (15 to 19 years old).
 - 19 years old and younger girls (15 to 19 years old).

5.2. Number of Athletes and Entry Fees

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- Track & Field (including CC): Each team may register a maximum of 15 athletes per Division. (Total 60 athletes per School)
- Individual Entry Fee: US\$70 per athlete (If a school enters five or less athletes in the same division – Individual Entry Fee per athlete is paid).
- Division Entry Fee: US\$400. (If a school enters six or more athletes in the same Division – Division Entry Fee is paid).
- Schools can compete with a mixed (co-ed) team; however, they will compete within the boys division and will not score.
- Each participant will be able to participate in maximum five individual events (track and field and/or cross-country) and in two relays.

5.3. Team Awards

- Boys 14 and younger Division Champion, Second Place, Third Place.
- Girls 14 and younger Division Champion, Second Place, Third Place.
- Boys 19 and younger Division Champion, Second Place, Third Place.
- Girls 19 and younger Division Champion, Second Place, Third Place.

5.4. Scoring to Determine Overall Team Placing

- Each athlete/relay will score points according to the table below.
- The school who accumulates the highest score in a particular division will be the champion in this Division. There will be a team champion / runner-up / third place for each Division.

PLACE	POINTS SCORE
1	9
2	7
3	6
4	5
5	4
6	3
7	2
8	1

5.5. Events, Location, Competition Manual

- The length of AASCA running tracks shall be 400 meters and the venues where the Tournament takes place must comply with the minimum IAAF standards.
- For the cross-country events, the host school will make every effort to provide the best possible quality course. The minimum length of the course must be one kilometer and the trail must be at least 3 meters wide, clearly marked. The starting area should be wide enough to guarantee a safe start for all participants and for the equipment installation. For more information regarding the CC course, please refer to the Article 250 of the IAAF manual.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- The host will be responsible for elaborating the Tournament Manual and schedule of activities, renting of quality competition venues.

5.6. Cross Country Events

- Three types of races will take place: individual, co-ed race (3 girls and 3 boys), and relays (four athletes per team).
- In the relay races, schools can enter only one team.

Individual Races

- All the runners of the same Division compete at the same time. The girls run 2K for 14 and younger and 3K for 19 and younger divisions, while the boys run 3K for 14 and younger and 4K for 19 and younger divisions.

4 x 1000 Relays

- Each runner will run 1K.
- Athletes will carry a baton, which will be passed on from one runner to another in the exchange zone (20 meters).

6 x 1000 Co-ed Relays

- Each team will be formed by 3 boys and 3 girls.
- Each runner will run 1K
- Each team's coach or delegate will determine the relay legs' order.
- Athletes will carry a baton, which will be passed on from one runner to another in the exchange zone (20 meters).
- The mixed relay will be for medals only, not for points.

5.7. Track and Field Events

- Each school can enter a maximum of four athletes in the same event of the same Division.
- In the relay races, schools can enter only one team.

EVENTS AND EQUIPMENT

DISCUS THROW	1 Kilo	1 Kilo	1.5 Kilos	1 Kilo
SHOT PUT	4 Kilos	3 Kilos	5 Kilos	3 Kilos

5.8. Rosters

- Prior to the technical meeting, the organizing committee will provide to each participating school the athletes' rosters including: competitor's number, birthday, grade level, events to participate, coaches, administrator and other members of the delegation. Everything will be checked and upon the technical meeting's ending, confirmation is expected (or notification of changes).
- Once the competition is underway, only athletes' withdrawals (scratches) are accepted. Adding athletes or events will not be permitted.

5.9. Uniforms

- Each athlete will wear school team's uniform in accordance with the uniform policy of AASCA and IAAF.

5.10. Timing System

- Cross-country and Track and Field competitions must use photo finish in order to provide reliable results timely and accurately.
- Stopwatches will be used as back up.

5.11. Call Room Arrival Time

- All athletes are required to report to the call room prior to their event wearing the approved school uniform/number.
- Before entering the competition area, one call will be made so athletes report themselves. This call will be made one hour prior to the event.
- Athletes who do not report on time are subject to disqualification. The Technical Delegate and Meet Director will review extraordinary cases, for example: traffic delays, to permit or deny further participation.
- Athletes will enter the competition zone as follows:

Nº	Event	Call time for athletes
1	Sprints	15 minutes before
2	Middle-distance	10 minutes before
3	Relay races	15 minutes before
4	High and long jumps	30 minutes before

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

5	Throws	30 minutes before
6	Cross Country	10 minutes before

- Athletes who do not comply with the above timeline will be disqualified.
- If an athlete is competing in a field event and is called to a track event, this athlete will be allowed to compete in the track event and then return and complete in the field event without penalization (all pending tries). Recovery times established by IAAF will be respected.
- In the field events, only five athletes advance to the final stage.

5.12. Equipment Specifications

- All the equipment used during the competitions must comply with the weight/size and other IAAF Regulations.
- Athletes will be permitted to use their own equipment (discus, javelin and shot) if they inform their delegate and this equipment is presented to the meet organizers 24 hours before the start of the Tournament for approval.
- All athletes throughout the event are allowed to use such approved equipment.

5.13. Competition Format

- The event will last three days according to the availability of facilities. Time of rest should be taken into account for athletes who compete in the morning (cross-country) and the afternoon/evening (track) sessions. There must be a minimum of three hours between the ending of one and the beginning of the other.
- In order for athletes to have their best performance and enough rest, the following programming recommendations should be followed:

SCHEDULE	THURSDAY	FRIDAY	SATURDAY
MORNING	CROSS COUNTRY	CROSS COUNTRY	CROSS COUNTRY
	3K y 4K Individual Races	Male and Female Relays	Co-ed Relay Races
			Recreational Races
AFTERNOON/ EVENING	TRACK AND FIELD	TRACK AND FIELD	TRACK AND FIELD
	100 Meters	200 Meters	400 Meters Finals
	Qualifying Round and Finals	Qualifying Round and Finals	3000 Meters
	800 Meters Finals	1500 Meters	4x400 Relays
	Long Jump	4x100 Relays	Javelin
	Shot Put	High Jump	
		Discus Throwing	

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Important: The host school is entitled to modify this schedule in order to mitigate particular adverse conditions of each host city such as altitude above sea level, heat and humidity, among others, to guarantee safe competition environment for all athletes.

5.14. Officials and Event Personnel

- All judges (officials) must have national or international track and field federation (ITF) certification. Local coaches or PE teachers may assist them, but the judges (certified officials) will produce results reports NOT the coaches or teachers.
- At least two certified judges (officials) will be in charge of each event.
- The Meet Director, the head official of the entire event, receives all the results and renders them official status for publishing.
- The complete list of meet officials is as follows:
 - Technical Delegate: may be an athletic director or a team head coach. Technical Delegate is also a technical coordinator.
 - Meet Director: head official and coordinator of all the officials. He is the link between the officials and Tournament organizing committee. Responsible for confirming all the results, rendering them official status and sending them to the Meet Secretary.
 - Call Room official and two to three assistants.
 - Departures official and two to three assistants.
 - Photofinisher and two assistants.
 - Four Stopwatch/Track officials and three assistants.
 - Two officials for each field event and four to five assistants.
 - One Meet Secretary and two assistants: responsible for receiving, reviewing and publishing the results.
 - One or two announcers.

1.11.3. Awards for Track and Field/Cross Country

As of 2017, cross-country is an event within the track and field AASCA Tournament program.

Overall Team and Event Awards

- The top three boys and top three girls teams in the overall team standings in each Division will receive a first, second or third place banner and each participant, coach and administrator will receive a medal (\$5 max value). 12 banners will be given out: three for 14 and younger boys Division, three for 14 and younger girls Division, three for 19 and younger boys Division, three for 19 and younger girls Division.
- A certificate of participation will be given out to each athlete, coach, administrator, chaperone and administrative delegate.
- MVPs of each team will receive a medal. Max value \$5. Criteria for choosing will be leadership, teamwork, character, service, passion and dedication. One MVP per category and gender, per school.
- A "Sportsmanship" trophy will be awarded to the winning teams in each category and a medal for each of the trophy winning team member. Four trophies in total.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Individual and Relay Awards

- The top three athletes of each event will receive a medal.
- For the relay races, the top three teams will be rewarded with medals for each of the four runners in each team.

SECTION 6: SWIMMING

The AASCA Swimming Tournament will follow AASCA and the FINA (International Swimming Federation) rules.

6.1. Maximum Number of Swimmers and Entry Fees

- 6 girls and 6 boys per Age Category. (Team Total: 48 Athletes)
- Individual Entry Fee: US\$70 per athlete (If a school enters two or one athlete in the same age category – Individual Entry Fee per athlete is paid).
- Category Entry Fee: US\$200. (If a school enters three or more athletes in the same age category – Category Entry Fee is paid).

6.2. Pool Dimensions

- 25-meter pool of at least five lanes.

6.3. Age Categories and Divisions

- Eligibility: Athletes in 6th grade, from 11 years old (Must be 11 on the first day of the meet) to 12th grade, 19 years old (Must be younger than 20 on the first day of the meet).
- The age category/Division will be determined by the age of an athlete on the first day of the meet.
- 14 and Younger Division (formed by 2 age categories: 11-12, 13-14) boys and girls.
- 19 and Younger Division (formed by 2 age categories: 15-16, 17-19) boys and girls.

6.5. Events

100 meter (for 12 and younger)	Individual Medley	Male and Female
200 meter (13 and older)	Individual Medley	Male and Female
50 meter	Freestyle	Male and Female
200 meter	Freestyle	Male and Female
4 x 50 meter	Medley Relay*	Male and Female
50 meter	Butterfly	Male and Female
100 meter	Freestyle	Male and Female
50 meter	Backstroke	Male and Female
50 meter	Breaststroke	Male and Female

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

4 x 50 meter	Freestyle Relay*	Male and Female
4 x 50 meter	Freestyle Relay	Mixed, Open Category, doesn't score but is awarded with medals

***Scoring Relays:** Relays score double points. Four swimmers of the same age category and gender must form a scoring relay (only 1 per School). **In an exceptional case when an older age group relay within the same Division is incomplete**, (A School has only 3 swimmers in this category) **ONE** swimmer of the same gender from a younger age category can move up to fill the gap in older category relay. **An athlete can swim only in one relay** (Cannot compete in a relay of his own age category and then be a supplement swimmer of an older category relay).

6.6. Competition and Scoring System

- AASCA Swimming Tournament is 3 days, 6 sessions (morning and afternoon) competition.
- Preliminary round heats will be held during the morning sessions for all swimmers. According to their place in preliminary round, swimmers will qualify to the finals (A or B). Finals A, B and Relays are scoring events held in the afternoon sessions. Places 1-3 of the A Finals are rewarded with medals. Maximum of three swimmers of the same School can qualify in the same event to the finals. The scoring system will depend on the quantity of lanes in the pool as follows:

	8 lanes pool - top 16 qualify		7 lanes pool - top 14 qualify		6 lanes pool - top 12 qualify		5 lanes pool - top 10 qualify	
PLACE	FINAL A POINTS	FINAL B POINTS	FINAL A POINTS	FINAL B POINTS	FINAL A POINTS	FINAL B POINTS	FINAL A POINTS	FINAL B POINTS
1ST	19	8	17	7	15	6	13	5
2ND	17	7	15	6	13	5	11	4
3RD	15	6	13	5	11	4	9	3
4TH	13	5	11	4	9	3	7	2
5TH	12	4	10	3	8	2	6	1
6TH	11	3	9	2	7	1		
7TH	10	2	8	1				
8TH	9	1						

- 4x50 Freestyle Mixed Open Relay does not score, but places 1-3 are awarded with medals.
- 200 meter Freestyle, 200 meter Individual Medley, 100 meter Individual Medley are scoring timed finals events, to be held only during the morning sessions.
- A swimmer can compete in all 7 individual events and 2 relay of his/her age category. (No limit in participation)
- Co-ed relays may be formed as exhibition but will not be scoring.
- For scoring purposes, only the best three times per team will be taken into account.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

6.7. Rules and Regulations

- FINA rules for swim strokes, starts and turns will be enforced.
- All swimmers must report to the Call Room at least fifteen minutes prior to their event.
- If a swimmer submits an entry time, this must be his/her recent confirmed official result in this particular event.
- Morning heats will be seeded in accordance with the submitted entry times. (Athletes with faster times are seeded in the latter heats, athletes with slower or no entry times will be seeded in the prior heats).
- Hy-Tek's Meet Manager software is used during the tournament.
- Any challenges to published results and disqualifications must be submitted to the host Athletic Director within 15 minutes of posting.
- Swimwear used by swimmers must be FINA approved.

1.11.4. Awards for Swimming

Team Awards:

- The top three schools in each Division (by the sum of accumulated points) will receive a banner. Total 12 banners are awarded as follows:

Boys 14 and Younger Division Champion, Second Place, Third Place.

Girls 14 and Younger Division Champion, Second Place, Third Place.

Boys 19 and Younger Division Champion, Second Place, Third Place.

Girls 19 and Younger Division Champion, Second Place, Third Place.

- A "Sportsmanship" trophy will be awarded to one team in each Division. (Total 4 trophies). A Sportsmanship medal is also awarded to each Sportsmanship winner team member.

Individual Awards:

- Medals will be awarded for the first, second and third places in each event. (Each swimmer in relays placed 1-3 will receive a medal)
- "Major FINA Points Result Diploma" (1 female and 1 male swimmer per age category - Total 8 Diplomas).
- MVPs of each team will receive a medal. Criteria for choosing will be leadership, teamwork, character, service, passion and dedication. One per gender per school.
- A certificate of participation will be given out to each athlete, coaches, administrators, chaperones and administrative de

TALK ABOUT THE INCIDENT THAT OCCURRED DURING THE BOYS VOLLEYBALL FINALS ON APRIL 6 AT EIS.

ADs regretted the way the boys volleyball championship match ended on April 7 at EIS.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

It was the third set with EIS winning 15 -14 when a few EIS fans got out of control and threw three water bottles into the direction of where the Village school and its fans where. Fortunately, no one was hit.

The match could not continue. Village stated that there were not the minimum safety conditions for its students to continue with the match.

All EIS fans located in the section that threw the bottles were asked to leave the playing venue by the Event AD Mr. Juan Santamaria. Village was asked to end the game several times but they insisted that in light of his students' safety, they would not come back and play.

In this meeting and after analyzing all the facts that occurred in the match, the ADs came to these conclusions:

1. The ADs saw that none of the students playing the championship match did anything wrong that would call for the match to be stopped, and therefore the ADs proposed and voted unanimously to declare both teams as co - champions for the 2018-2019 boys volleyball tournament. This proposal will need to be validated by DGs in their May 2019 meeting.
2. To form a commission of ADs to analyze the situation further, check the current Manual to see what was not done by the Organizing Committee and what else could be done in order to better ensure the visitors' safety. Come up with suggestions in order to avoid similar problems in the future.

From AASCA Manual 2018-2019

6.2. Responsibilities of the AASCA Host School Administrator in Charge

- For each AASCA event, the general director of the host school should appoint the host school administrator in charge (usually the athletic director or secondary principal).
- The host school administrator in charge will be responsible for:
- Answering all inquiries, questions, protests, etc.
- Handling all disciplinary infractions in consultation with other school administrators.
- Making immediate decisions in case of emergencies.
- Assigning additional administrators if the event takes place in different facilities/locations. An administrator must be designated for each venue. They will have the same responsibilities and authority as the host school administrator in charge.

From DG's minutes 2015-2016

Proposal: Administrator in charge should not have a dual role. When appropriate, the administrator in charge should be with the spectators, not as a supervisor of the team during the event. Proposal: Administrator in charge is responsible for adherence to the AASCA expectations for parents, students, coaches, and AD's.

Recommendation of GDs, just follow AASCA rules and guidelines as stated in the manuals.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

From AASCA Manual 2018-2019

1.10.2. DISCIPLINE AND APPEALS COMMITTEE

MADE UP BY THE HIGH SCHOOL PRINCIPAL OR THE HOST SCHOOL ADMINISTRATOR IN CHARGE AND TWO ADMINISTRATORS IN CHARGE FROM OTHER PARTICIPATING SCHOOLS.

PROPOSALS FROM ADs

UPDATE THE MANUAL 2019-2020

**** Under Communication - make a note to introduce administrators in charge and court delegate per game**

I.

6.2. Responsibilities of the AASCA Host School Administrator in Charge

- For each AASCA event, the general director of the host school should appoint a host school administrator who is a person different than the event director (host AD). The host school administrator could be the General Director, HS Principal, MS Principal or their respective Vice Principals, Dean of Students, or other administrator designee. The appointed administrator may vary from day to day. In any case this person must be available for the whole length of the tournament (day) at all times. [Designee is in the case of multiple sites. I.e. soccer tournaments.]
- The host school administrator will be responsible for, but not limited to:
 - Lead the Discipline and Appeals Committee and whenever needed gather information from court or field delegates, referees and any other ADs or schools' administrators/chaperones in regards to any disciplinary problems that have occurred within or outside the court/field/etc., in relation to game rules and above all in relation to providing a safe environment for all the participating schools (Section 5.2 SECURITY)
 - The host school administrator will oversee the announcement of any decisions of the Appeal and Discipline committee throughout the tournament.
 - Make decisions in case of emergencies.
 - Timely intervention to ensure adherence to AASCA rules
 - Apply sanctions as stated in 1.10.3. Sanctions section
- The event director (host AD) will be responsible for, but not limited to:
 - Communications with AASCA schools. Manual, Section 3.
 - Assigning court or field delegates for each of the venues.
 - The event director should refrain from openly supporting his teams during the tournament and remain impartial. In other words, the Event Director shall prioritize the

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

supervision of the event over the supervision of his/her teams. Being close to his/her teams from time to time should not be considered inappropriate.**

- Court or field delegates will be responsible for, but not limited to:
 - The same responsibilities and authority as the event director.
 - Promote Fair Play at all times as stated in 19.1 of the AASCA Manual.
- Fans and teams are prohibited to use artificial noisemakers such as: drums, trumpets, maracas, whistles, etc.
- Actions of spectators, coaches, or other students that distract the athletes and decrease their performance will not be tolerated. Complete silence must be observed during serves in volleyball, free throws in basketball, and penalty shots in soccer. Referees must ensure adherence as well.
- Athletes, coaches, delegates, and all spectators must use appropriate language.
- Athletes, coaches, delegates, and all spectators must respect the referee's decisions.
- Spectators are not allowed to be behind or near the basket or goal. They may only be in designated spectator areas.
- Spectators and players may not bring country flags onto the premises.

First Offense: Verbal Warning

- A official verbal warning will be given to the team, coach, fans and/or group that commit an infraction to the AASCA protocol for the first time. One verbal warning to one of the spectators is enough for the rest of spectators for the same school, and one verbal warning to one of the players or to the coach is enough for the rest of the team.
- A public announcement will be made at the first stop in play that an official first warning has been issued.

Second Offense

Consequences in case of a Second Offense by the Same Group:

- The offender(s) will be asked to leave the premises.
- A technical foul, red card or equivalent will be applied to the offending team. ** ADs need to review this.
- If the situation continues, the game will be stopped, spectators will leave the premises and the game will continue when a determination is made that the situation is safe for the game to resume.
- Any player, coach, or assistant coach, that is ejected from a game, must automatically leave the athletic venues and will receive a one game suspension from playing or coaching in the next scheduled game. In the case of a spectator, he/she will be removed for the remainder of the tournament. The penalties may increase depending on the type of the infraction, and after reading the referees report.

II. Discipline and Appeals Committee (DAC). 1.10.2

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

1. The Discipline and Appeals Committee should be formed by the host school administrator, two visiting team administrators and **two** visiting ADs. These five people will form the official Committee while two others will be called **on** in case one of the official members cannot perform his/her duties. The seven members of the Committee (five officials and two substitutes) will be introduced during the Technical meeting. They will be also introduced to all participants during the Opening ceremony. The members of the Committee will be chosen by the AD Board.
2. The DAC will meet only and exclusively upon receiving a game protest form to review any disciplinary problems that have occurred within or outside the court/field/etc., or in relation to game rules **but** never to overrule a **judgement** call.
3. The representatives of the schools involved in any of the issues will not participate in the resolution.
4. The **incident account** of the court or field delegates, coaches, visiting ADs, visiting administrators, and the referees will be asked and taken into consideration as necessary.
5. All resolutions made by this committee are accepted as final.

SUGGESTIONS FOR DIRECTOR GENERALS

- Avoid scheduling any sports event after Thanksgiving or Semana Santa breaks. **REVIEWED AND SUPPORTED**
- Avoid scheduling two **different** AASCA sports events simultaneously in different countries. **REVIEWED AND SUPPORTED WHEN POSSIBLE.**
- **Return to past practice for ADs three day meeting.** Come back to grant ADs a three days meeting to allow them go deeper in each topic and **again have time for PD (Sportsmanship, team development, coaching skills development, etc).** **REVIEWED AND SUPPORTED**
- Avoid scheduling AD meetings right after a sports event. **REVIEWED AND SUPPORTED**
- 19 out the 23 ADs attending this meeting but CDS (AD hospitalized during the meeting), LIA, Village, and Mazapan, suggest DGs to review again the possibility of coming back to the old format of having split tournaments. These divisions could be according to the number of students in grades 7 to 12 or any other consideration. These are the justifications:
 - A. a. It has been a two-year trial of UNIFIED TOURNAMENTS and the comments of those ADs who have hosted tournaments are not in favor of Unified Tournaments.
 - B. Red financial outcomes, worse than normal.
 - C. Due to the events' cost, dinners have been just snacks that have obligated visiting schools to go for dinner after the closing ceremonies at very late hours.
 - D. Rent of ambulances and facilities have become higher and higher.
 - E. More balls are in need to be purchased which increases the tournament costs.
 - F. More supervisors for venues. The more venues, the more money spent.
 - G. Security of athletes. Teams have to travel longer distances and sometimes insecure places (especially for soccer). Athletes get more tired because of traveling long distances (in Costa Rica 2018 and Panama 2019)

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- H. Crowd supervision. Finals (especially) are attended by more and more spectators. The venues can't just accommodate so many fans.
- I. AASCA has grown in number of participants for the last four years and are expected to grow more. It is just very hard and will be extremely hard to host a tournament of near 40 teams and more than 100 matches in just three days.
- J. AASCA is the only organization around the world with so many participating schools that has no divisions at the moment.
- K. Due to the monopoly of airlines in Central America, during AASCA sports events, it is common now that airfare tickets get more expensive resulting in some teams traveling the day before/after leading to a more expensive budget for families with increased hotel costs and missing more instructional days. AASCA says that only three days should be permitted to miss due to any AASCA event.
- L. Not enough quality referees.
- M. Although not always, usually the large schools beat the small schools. Stats show that the majority of matches have been won by large schools. Parents (and students) would like to have the same chances to win matches and eventually win tournaments. Parents would not like to be investing \$1000 just to have a great time and make friends.
- N. Small schools who normally have in their rosters students in grades 7 and 8 are in jeopardy of injuries by playing against students from large schools, normally grades 10, 11 and 12th who are stronger, taller, faster, etc.
- O. Inauguration and closing ceremonies demand more space and not all of the hosting schools have that.
- P. There are some cities that will never have the chance to host a tournament again, like La Ceiba, because of the small number of hotels there.
- Q. Small schools will have little chance to host UNIFIED tournaments since they do not have the needed infrastructure. **REVIEWED AND SUPPORT THE NEED FOR DIVISION. SEE PROPOSAL PRESENTED BY PRINCIPALS.**

ELECTION OF AD BOARD FOR 2019-2021

President: Oswaldo Ortiz F. (CIG)

Vice President: Alan Walls (EAS)

Secretary: Juan Santamaria (EIS)

Member at Large: Dylana Vincenti (AIS)

Member at Large: Matthew MacInnes (ISP)

Dear colleagues,

AASCA Athletic Directors:

Below are some reasons why I believe AASCA Tournaments in individual sports like Track and Field and Swimming should be contested in narrow age groups, and why 11-year-old 6th grade students should be included.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

John Tauer is a psychology professor at the University of St. Thomas, in St. Paul, Minn., where he studies competition and coaches the men's basketball team. This is what he says about kid's competitions (He talks about younger kids of 7-9 years old): "When I hear solutions that say let's eliminate kids' competition, that's not realistic."

"One of the biggest culprits in psychology is wanting kids to feel good all the time," Dr. Tauer said. "Trying to avoid competition is making it bigger than it needs to be."

1. The desire to compete and to win is commonly known and natural and kids from the early age seek the opportunities to compete with each other. At 11 years old, the age when such physical qualities as speed, flexibility and agility are in their period of fastest improvement (Sensitive period), simplest competitions as who jumps higher or farther, runs or swims or rides a bike faster, etc. become very popular and often kids organize such races spontaneously, without coaches' supervision. I have witnessed this uncountable times during my swim coach career. The most exciting part of the workout was always the one that included a competitive twist. This becomes more evident with teens, because at 11 kids are psychologically ready to accept the loss and they acknowledge that it is as normal and acceptable to lose as to win. The exposure to competition, where loss is more common than a win, becomes necessary for healthy psychological maturation and formation of a balanced, respectful and empathic character.
2. Since Swimming and Athletics are pretty simple sports technically (kids as young as seven can demonstrate perfect swim strokes or impeccable running/jumping technique), the result depends mostly on physical qualities (Strength, Endurance), which improve exponentially with the onset of puberty. We all know that in this sense (Hormonally) the difference between 12 and 14 year olds can be huge, especially among boys. It's absolutely wrong to merge the 11-12 and 13-14 age categories into one like 11-14, simply because we leave no chance for younger guys of the category to succeed. (Please check the enormous difference in US National Age Group records between 11-12 and 13-14 age groups in swimming and running for reference).
3. To give an opportunity for 12-year-olds to participate, but to limit participation to seventh graders and older, are two contradictory (if not mutually excluding) conditions. If you analyze the birthday data of 6th and 7th graders you'll find out that there are many more 12 year olds in the 6th grade than in the 7th grade, especially towards the end of a school year. (In ANS case, updating the ages of students to 29.03.2019 I found 16 students still 12 in 7th grade, but 29 students that are already 12 in 6th grade). As a solution, to include 6th graders in individual sports, but at the same time, to open the youngest age category for 11 years old kids, to make it an 11-12 years old age group, seems the most logical and correct.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

4. Based on my experience of four AASCA Swimming Tournaments, where 11 years old 6th graders were still allowed to participate, I can claim that these kids were the most manageable group, causing no problems whatsoever. They also were the ones that were most eager to compete and to continue in the sport after the Tournament.
5. To conclude, because of the limitations mentioned above, were imposed in 2018 on individual sports; we witnessed this phenomenon in AASCA swimming Tournament this year: The 12 years old age group was almost empty with 3 girls and 2 boys! This is despite the fact that in previous AASCA Swimming tournaments, when this age group was 11-12, and 6th graders were allowed to participate, it was the most populous and most competitive.

Now, please consider this:

1. Are we doing the right thing by limiting participation and shutting down on opportunities?
2. Are we motivating younger kids to take up swimming and track and field?
3. Will this decision to limit participation simply because we "should comply with AASCA Regulations" lead us to have more kids participating and competing in Athletics and Swimming?
4. Will less kids practicing help us raise the level and quality of our program?
5. Could we be losing talented athletes on the way by limiting participation?

Thank you for your attention,

Sincerely,

Andrei Kulyk
ANS Athletic Director

2019 Principals' Meeting Minutes April 25 & 26

Thursday, April 25, 2019

2018 minutes were approved unanimously

Local ADs attending the general conference - clarification of policy.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Principals are proposing that the AD of the school hosting the AASCA Principal's meeting attend the first day of principals' conference to clarify any questions/doubts. - APPROVED *
add moved/seconded

MS Sports Festival - for discussion

CAG - middle school students were not interested in participating

PAS - suggests an awards system and MVP (added to the manual) along with a rubric for said awards. Timeline for registration needs to be extended. ADs need to complete and submit all required information as per the timelines established by the host school.

ALL COACHES that accompany teams **MUST** be present for the entire festival. In situations where this does not happen, the General Director of the home school will be contacted immediately.

Proposal - students and coaches will select, based on a rubric (specific values), their sportsmanship MVP per team. Ricardo will share AST's rubric used in 2017. One overall sportsmanship team will be identified by the referees and official school administrator in charge.

Coaches are responsible for keeping their teams **together at all times**.

Items from last year's meeting

EAS - schools need to have their own insurance when traveling and competing in AASCA events.

The manual needs to be updated to reflect that the decision that each participating school must assume financial responsibilities related to medical issues for their own students.

MS Science Fair -

CAG - could the science fair be expanded to include grades 6-8? Or maybe a separate event?

Proposal - To expand the AASCA Science Fair to include grades 6 - 8. APPROVED

PD discussion

Village - it is hard to get good PD. Can a youtube channel be created to establish a PD network?

Hudak volunteers to create a calendar where we all can share our PD opportunities/expertise. Discussion board along with policies or any other areas that may be useful to schools across the region. The calendar can be linked to the AASCA web page.

Community service award submission - Balboa School and ISP were selected.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

UNIFIED TOURNAMENTS - ADs are recommending to return to small and large schools tournaments as opposed to unified tournaments.

Eric - schools should not be labeled as small or large schools - school should be able to move back and forth. Based on previous year's placement (basketball, volleyball, and soccer)

School numbers need to be revised every 2 years. There needs to be some kind of flexibility to move.

Proposal for volleyball, basketball, and soccer (all others remain unified) -

- Divisions will be determined based on performance and enrollment
- Schools should be allowed to declare/petition where they want to play (based on statistics and enrollment) per sport and gender. Petitions should be done during this time of the year (after volleyball).
- 2 year review of enrollment numbers.
- Change the name of the divisions other than large and small schools or any numerical, etc. ranking, etc.
- ADs need to come up with clear process and protocols to petition and well established criteria to make a determination.
- ADs need to provide data in order to make and support future decisions.
- ADs will determine the max number of participants per tournament
- Schools petitioning will present data from last four years of competition to inform status that will determine the divisions.

LIVE STREAMING IN AASCA SPORTS EVENTS -

ADs propose that live streaming is optional - APPROVED

Swimming, tennis, and track and field - age and grade

Proposal - That eligibility includes 6th grade and a minimum of 11 years old the day of the tournament.

REGISTRATION - ADs are proposing a standard registration procedure - APPROVED

Addendum - MS Sports Festival registration was not completed accurately by all schools as outlined in the manual.

*Fee for MS Sport Festival \$700 is already included in the manual

AWARDS -

If we remain unified then the AD proposal is APPROVED

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

If the proposal presented by the principal's group is accepted then it is to be a 1st, 2nd, and 3rd award system

SCHEDULING OF EVENTS

ADs are proposing events not to be scheduled after Thanksgiving and Semana Santa - will be discussed later with the calendar

ADs are recommending not to schedule simultaneous events - will be discussed when making the calendar

ADs meeting remains 3 days

ADs request their meeting not to be scheduled immediately after an AASCA event -

APPROVED

REVIEW REGISTRATION FEES - We recommend that all fees be revised to make sure all events are covered accordingly.

REVIST THE MANUAL REGARDING THE MUSIC AND DRAMA FESTIVAL - Awards. Is it a festival or a competition?

Proposal - A committee needs to be appointed to review the Music and Drama Festivals. Review the current structure and philosophy behind the festivals. Availability to move to a combined event.

2019-2020 host could be the committee leader.

ELECTIONS FOR 2019 - 2020

President - Hudak Hendrix (EAS)

Vice President - Monica Sanchez (PAS, Costa Rica)

Secretary - Gloria Palacios (Discovery School, Honduras)

SUMMARY

Balboa Academy was honored to host the AASCA Middle Conference 18-20 October 2018. The conference was open to all AASCA schools and we were pleased to see that a total of 12 schools sent 126 student leaders and 22 chaperones. Our theme, "A World of Opportunities" was the catalyst for activities that focused on teaching students how to establish meaningful connections and realize their potential by examining their values to make deliberate and thoughtful decisions. Students also learned about balancing the responsibilities they decide to take on and how to conduct efficient and effective meetings. Our keynote speaker, Mrs. Ilya Espino de Marotta (one of Forbes' 50 most powerful women in Central America), gave a great opening as she discussed the traits one needs in order to be successful, both in their personal and professional life.

Balboa Academy student council members greeted the schools on the first day with a warm welcome and took a very active role in each day's activities by leading the students throughout the campus and making sure that the schedule of events were adhered to. On the first day, the Balboa Academy students provided the visiting schools with their name tag, T-Shirts, a folder with the schedule of events and locations for each activity, and assisted in the ice breaker activities.

On day two it was an early start as students boarded the Panama Canal Railway as the train travelled through our diverse eco-system. It was a wonderful opportunity for these students to visit the third set of locks (Agua Clara). This visit gave the students a better understanding of the challenges and achievements made to accomplish this project. After returning to campus students participated in more engaging workshops (Power of Connections, Go for the Extraordinary, Rules of Order; and are we making Healthy Choices).

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

The last day students worked on their Action Plan/SMART goals presentation. Each school was given 3-5 minutes to present their action plan and it was enlightening that the presentations included many of the elements they learned during the conference (leadership role, team building, communication). Students will be returning to their school with action plans ranging from improving their cafeterias by eliminating plastic; fundraising activities to support service projects; improving student activities to name a few. For the closing ceremony schools were given a certificate of participation.

Attached is a finance report of income and expenses. Recommend that schools who choose to send more than 10 students, pay an additional \$50.00 per student. Also recommend that the \$500.00 conference fee be raised yearly to accommodate inflation.

The following AASCA schools participated:

Lincoln School	Costa Rica
Marian Baker School	Costa Rica
Pan-American School	Costa Rica
American School of El Salvador	El Salvador
American School of Guatemala	Guatemala
Colegio Maya	Guatemala
Village School Guatemala	Guatemala
Mazapan School of La Ceiba	Honduras
American School of Tegucigalpa	Honduras
Escuela Internacional Sampedrana	Honduras
Balboa Academy	Panama
Colegio Interamericano	Guatemala

SCHEDULE OF EVENTS

Thursday, October 18th, 2018

- 3:30 - 4:00 Schools report to Balboa Academy
- 4:00 - 4:15 Welcome & Conference Overview
- 4:15 - 5:00 Keynote Speaker, Mrs. Ilya Espino de Marotta,
Executive Vice-President of Engineering and
Program Management, Panama Canal
- 5:00 - 5:30 School Tour
- 5:30 - 7:00 Ice-breakers & Inclusive Activities

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- 7:00 - 7:45 Dinner (provided by Balboa Academy)
- 7:45 - 8:00 T-shirt Distribution to Chaperones
- 8:00 Bus Departure back to Hotel

Friday, October 19th, 2018

- 6:45 Schools report to the Panama Canal Railway Company, Albrook
- 7:15 - 8:15 Train ride from Panama (Pacific) to Colon (Atlantic)
- 8:15 - 8:30 Bus Transit (Colon train station □ Agua Clara Visitor Center)
- 8:30 - 10:00 Agua Clara (Panama Canal Expansion Tour Center)
- 10:00 - 11:00 Bus Transit (Agua Clara □ Balboa Academy)
- 11:00 - 12:00 Lunch at the Plaza (Food Court within walking distance of BA)
- 12:15 - 4:00 Workshops & Activities
 - Power of Connections (Camp Wandu)
 - Go for the Extraordinary (Franklin Covey, Panama Representative)
 - Rules of Order (Mr. Salomon Trejo)
 - Are We Making Healthy Choices? (Mrs. Ana Lucia Obregon)
- 2:00 – 2:15 Snack
- 2:15 – 4:00 Workshops
- 4:00 Bus Departure back to Hotel

Saturday, October 20th, 2018

- 8:00 Schools report to Balboa Academy, MS Dr. Wolf Room
- 8:00 - 8:15 Briefing
- 8:15 - 9:30 Guest Speaker / Workshop (Mrs. Vivian Torrijos, Former First Lady of Panama and Founder of Best Buddies Foundation)
- 9:30 - 10:00 Action Plan/SMART Goals Presentation
- 10:00 - 11:00 Work on Action Plan/SMART Goals by school
- 11:00 - 12:00 Lunch at the Plaza (Food Court within walking distance of BA)
- 12:00 - 1:00 Schools present their Action Plan/SMART Goals (3-5 minutes each)
- 1:00 - 1:30 Closing Ceremony
- 1:30 Bus Departure back to Hotel

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

KEYNOTE SPEAKER – Ilya Espino de Marotta

Ilya R. Espino de Marotta is an engineer best known for leading the Panama Canal Expansion Project as Executive Vice President for Engineering in the Panama Canal Authority. Mrs. Marotta was appointed to the role in 2012 and was the first woman in the history of the Panama Canal Authority to hold the role.

Ms. Marotta has a Marine Engineering Degree from Texas A&M and a Masters of Economic Engineering Degree from Universidad Santa Maria la Antigua, Panama. Ms. Marotta's message: " Study, do not be limited by social pressures, keep in mind the values, be responsible and committed to the work we do. It is important to know that success in what one undertakes in life is not achieved alone, do not be afraid to ask for help when required. "

Guest Speaker – Vivian Fernández de Torrijos, First Lady of Panama 2004-2009

Mrs. Vivian Fernández de Torrijos was the First Lady of Panama 2004-2009. In the inaugural event of "Best Buddies-Panama", Mrs. Fernández de Torrijos received the Spirit of Leadership Award for her admirable work to further integrate people with intellectual disabilities into Panamanian society. Best Buddies is the world's largest organization dedicated to ending the social, physical and economic isolation of the 200 million people with intellectual and developmental disabilities (IDD).

Wandú Seed – The Power of Connections

The workshop's objective is to emphasize the importance of connections inspire and create unforgettable moments and friendships. Students will be engaged in fun and challenging teamwork activities that will strengthen the connections made. Students will learn that we have a "World of Opportunities" through challenging teamwork activities.

FranklinCovey – Go For the Extraordinary

The FranklinCovey – "The Leader in Me" great things happen here workshop will empower students to manage their attention, decision and energy in order to improve their overall effectiveness both inside school and out by connecting with their vision, values and purpose. Students will understand that there are key choices that they can make to

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

manage themselves better to reach maximum potential. Guided exercises will help students identify what they value most, who they want to be as a student, friend, sibling, son/daughter and make a 5 year vision plan.

The Rules of Order – Mr. Salomon Trejo, 5th Grade Teacher

The Rules of Order is a time-tested standard, providing common rules of parliamentary procedure for deliberation and debate in order to place the whole membership on the same footing and speaking the same language. Our workshop will focus on understanding and practicing the Rules of Order for the purpose of organizing our Student Council Meetings and effectively reaching our stated missions and goals. This will help to create purpose driven meetings and avoids nonproductive discussion.

Are We Making Choices? – Ana Lucia Obregon, Counselor

Students will reflect on their daily lives and understand the difference between an emotional and a logical decision. There will be opportunity for them to reflect and understand if their plate is full; did you prioritize; can something be given up? How much can you multi-task? Given a new plate – how do they want it to look.

Survey: AASCA Knowledge Bowl

1. Tournament website was user friendly and provided accurate information for participants.
2. Readers for the matches were well trained, and followed the AASCA guidelines regarding their duties.
3. The tournament followed the AASCA guidelines and all processes maintained transparency so that the participants felt absolute confidence in the integrity of the tournament.
4. The food provided was sufficient and satisfying for the participants.
5. The students and staff of EA were friendly and helpful for all who were participants/spectators from the visiting schools.
6. All activities of the tournament were well organized and maintained a consistent schedule.
7. The security provided for the event allowed participants to feel absolutely safe during their time on campus.
8. The suggested accommodations for visiting team delegations provided excellent service in accordance with the price paid.

7 responses

SUMMARY

On a scale of 1-5, with 5 being the highest and 1 being the lowest, please rank the following aspects of the 2018 AASCA Knowledge Bowl Tournament.

9. In order to provide opportunities for growth and improvement, please share any ideas where you believe the tournament could have performed more efficiently or effectively.

- Check all students eligibility. Be more transparent. Include all coaches in decisions.
- I would suggest holding the finals indoors.
- The tournament was highly organized and achieved the highest standards known. The only observation is to be well informed in case you have tied teams. This way you avoid any argument from coaches that want to scramble at last minute.
- The students needed some space for distraction

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- *Find a way to have all teams participate on Saturday.*

18. Recommendations:

General Feedback from Guest Directors and Visiting Music Teachers

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- Choir needs full time, experienced, separate accompanist that is not associated with any of the participating schools
- AASCA events manual dictates that participants should be from 7th-12th grade
 - This should be added to the AASCA music handbook
 - This corresponds to the required ability to perform music at a level of 2.5+
- The guest conductor commented that the experience felt slanted towards band and made the following suggestions:
 - All rehearsal spaces should be centrally located
 - All large ensembles should be roughly the same size
 - There should be an equal amount of vocal and instrumental ensembles
 - I.e. Concert band, jazz band : Choir, chamber choir
 - School should try to ensure equal ensemble opportunities as much as possible
- All students should arrive thoroughly knowing the repertoire
- Repertoire should be announced and shared with all participants and guest conductors as soon as possible into the school year
- More detailed communication needed earlier with Guest Conductores
- All repertoire should be available for ePrint for ease of purchase
 - SmartMusic is another great option if all schools can use this.
 - Clarification of copyright law and educational fair use. Please clarify:
 - One purchase per ensemble
 - One purchase per institution
- Customized music workshops should be available to all instruments and vocal parts
- Participating students, teachers, and volunteers should follow rules of etiquette in the Performing Arts Center
- Assure that all performer have access to water during the festival

Concerns and Suggestions Relating to Adjudication and Competition

- Many schools were upset that that the solo and ensemble portion was non-competitive as prizes have been handed out in the past
- Many schools were frustrated that large ensemble, instrumental, and vocal solos happened simultaneously
 - To have these presented on stage to all participants would require less ensemble rehearsal time during the festival and more preparation done by each school prior to arrival
- Festival Requirements if this is to be competitive:
 - All participating schools must agree and change the AASCA Music Festival Handbook
 - The host must use outside and impartial, professional adjudicators
 - All participants to submit entries and scores a month before
 - This will facilitate finding the correct specialist adjudicators

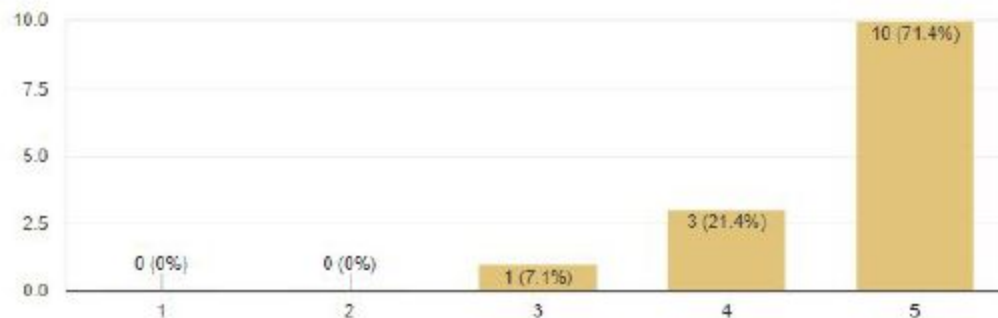

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- Without scores (sheet music), adjudicators cannot evaluate students on how well they follow the music and the judging becomes much more subjective
- It has been suggested that selections should not be performed with a backing track and should not be from the popular genre
- Adjudicators must meet with facilitators and agree upon scoring criteria, use of numbers, etc, before the event
- All adjudicators must be given recording devices to record comments during each performance, as per AASCA Music Handbook, and recordings must be distributed to directors after the event
- Music Education and Ensemble opportunities must be implemented equally in all AASCA schools before considering competition
 - All middle school and high school students must be able to enroll in band, choir, and/or orchestra every semester
 - All ensembles must meet as a full group as the regular rehearsal
 - Ensemble electives must not be scheduled at the same time as one-section core academic classes

Positive Feedback:

Dear EAS authorities, few times a host school receives so many 5s in its evaluation, but you guys really deserve it. Everything was planned in advance. Mr. Walls and Mr. Clemente did an excellent job.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Mr. Walls showed total command of every situation, of every detail and Mr. Clemente is also a great professional. We know that behind them there is undoubtedly a team that worked tirelessly shoulder by shoulder with them as for example you Ms. Parker, Mr. Hudak and Mr. Cristian. Congratulations on a phenomenal tournament.

Excellent organization. Congratulations to Alan and his team. This is a very detail oriented tournament and was extremely well planned.

Great leadership from Mr. Walls.

Como organizador de este evento AASCA, se que lo complicado que es realizarlo y valoro mucho el gran esfuerzo que ustedes hicieron para poder lograr un excelente Torneo AASCA. Felicitaciones a su equipo de trabajo ya que hicieron un excelente trabajo!!

Quality medals, website information complete and always duly updated. Excellent Final Report.

Recommendations:

The kids said the ice-breaker could have been a bit more dynamic.

Mejor ubicación a público, entrenadores, directores, etc.

Closing ceremony started too late.

BOYS: Escuela Internacional Sampedrana, Honduras

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Positive Feedback:

The post tournament evaluation was conducted via a google survey with 10 of the 17 visiting schools responding. Average scores are included below on a scale of 1-5 (5 = Outstanding 4 = Very Good 3 = Good 2 = Needs to Improve 1= Not Applicable).

- Pre-tournament communication: 4.9
- Communication during the tournament: 4.8
- Transportation: 4.5
- Food available/quality: 3.8
- Accommodations/hotel: 4.4
- Participant behavior in hotel: 4.8
- Awards, trophies, badges, medals: 4.8
- Participant behavior during the event: 4.1
- Crowd behavior/control: 4.4
- Tournament program: 4.7
- Playing facilities: 3.5
- Officiating: 3.6
- Website information: 4.5
- Opening Ceremony: 4.6
- Closing Ceremony: 4.2
- Ice Breaker event: 3.8

The commendations gathered from the survey included comments on:

- the smooth running of the tournament.
- communication.
- the high quality of the medals, trophies and banners.

Recommendations:

The recommendations gathered from the survey included comments on:

- the distance between the different game venues making it difficult to move from place to place.
- the safety of tents at one of the external venues.
- coolers and ice for drinks to be provided to teams at all game venues rather than just hydration.
- Student ice breakers could have been explained better and they were too short.

As the host school we would also recommend the following AASCA/Soccer rules be discussed at the upcoming Athletic Directors meeting:

- AASCA Soccer rules state that extra time (2 halves of 8 minutes) will be played in case of a tie in top four (final / 3rd place / semi finals) games of the Gold Tournament. This happened in three occasions, all of which then went on to penalties. Given the physical strain of playing many games in 3 days and the logistics of potential game delays, we would recommend removing extra time and going straight to penalties in these matches.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

- AASCA Soccer rules state that there will be a three minute water break in games played between 10:00 a.m. and 2:00 p.m. On the final day of games a number of athletic directors requested additional water breaks during the games beginning at 3:30 p.m. and 5:00 p.m. This did cause some tension with games in motion in six different venues throughout the city at the same time. We would recommend a revision of this rule should it be felt that more water breaks are needed. From a logistical perspective, we would urge caution with adding more rules which will extend game lengths. We already have a rule stating a 3 hour minimum rest time between games and in soccer there are now no games starting between 12:00 noon - 2:00 p.m. With the size of AASCA tournaments, these rules will result in more game venues needed and thus more costs (referees / ambulances / field rentals...) for the host school.
- AASCA Soccer rules state that goal average (goals scored DIVIDED by goals conceded) is used in tie breakers. In the 1970s FIFA moved away from using goal average to use goal difference instead (goals scored MINUS goals conceded). We would recommend AASCA does the same for 2020. There is also the danger that goal average does not work when a team has '0' in their 'goals for' or 'goals against' column (since '0' is not divisible). In AASCA tournaments, sometimes there are groups of different numbers of teams (some of 3 and others of 4). In these cases we suggest using 'average goal difference' (goals scored minus goals conceded, divided by number of games played).
- In the last 5 AASCA team tournaments (Basketball in Guatemala '17 and Costa Rica '18 / Volleyball in Honduras '18 and Soccer in Costa Rica '18 and Panama '19) host schools have been 'live-streaming' games from their campus. AASCA Soccer in Panama had over 20,000 views from all over the world via the live streaming. Live streaming is not mentioned in the AASCA handbook but is becoming a norm. This was a considerable expense for us and we would recommend discussion on whether this should become a rule or not and whether registrations fees in turn need to be increased.
- The scale of hosting AASCA Soccer in it's Unified version is a stretch on any of the AASCA schools. We are aware there has been much discussion on whether AASCA should remain unified or whether to split. Going back to two separate tournaments makes sense from the athletic, logistical and financial perspectives as was shared by the Athletic Directors in detail last year.

Financial Report

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Income		
School Fees (32 teams)	\$900.00 / team 12 of the school registration fees received were either under or over the amount resulting in a net of \$157 below the anticipated income.	\$28,643
Expenses		
	Tournament Balls	\$2,800
	Field Rentals	\$22,450
	Live Streaming	\$6,000
	Referees (30)	\$7,040
	Hydration	Sponsored
	Medical Staff (5 ambulances, 18 paramedics)	\$8,855
	Welcome Banners, AASCA Mission / Vision Banners	\$978
	Coaches lanyards / student IDs	\$1,209
	Team Banners, Trophies & Medals	\$2,682
	Tournament Booklets	\$375
	Ice Breaker Snack	\$1,888
	Coaches meeting meal	\$555
	Closing ceremony meal	\$4,360
	Budget	\$11,200
		\$3,000
	Sponsorship	\$6,900
	Total Incomes	\$49,743
	Total Expenses	\$59,192
	Result	-\$9,449

Note:

The costs of field rentals and ambulances alone exceeded the income from registration fees. During the student ice breaker activity, almost 200 of the snacks were left due to schools not arriving for the ice breaker or students who chose not to eat them. If AASCA is to continue with Unified tournaments we would recommend that the association consider increasing the registration fee for Soccer.

Survey: AASCA Science and Engineering Fair

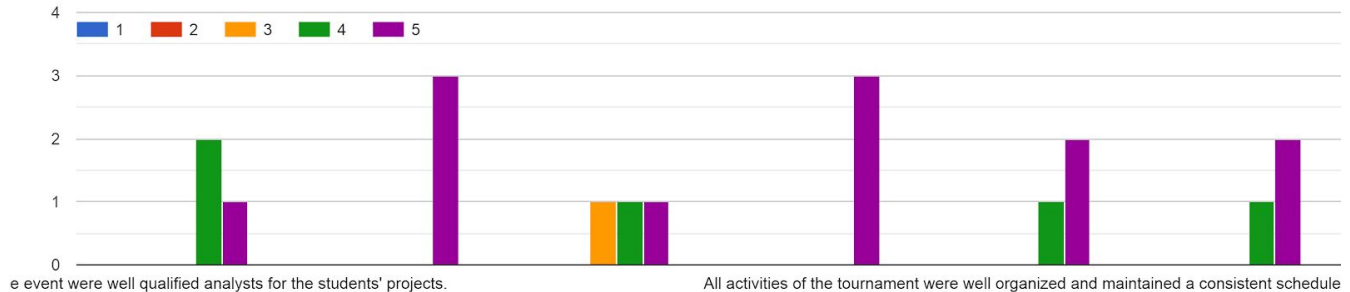

1. Judges for the event were well qualified analysts for the students' projects.
2. The tournament followed the AASCA guidelines and all processes maintained transparency so that the participants felt absolute confidence in the integrity of the event.
3. The food provided was sufficient and satisfying for the participants.
4. The students and staff of EA were friendly and helpful for all who were participants/spectators from the visiting schools.
5. All activities of the tournament were well organized and maintained a consistent schedule.
6. The security provided for the event allowed participants to feel absolutely safe during their time at all event venues.

3 responses **SUMMARY**

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

On a scale of 1-5, with 5 being the highest and 1 being the lowest, please rank the following aspects of the 2019 AASCA Science and Engineering Fair.

7. In order to provide opportunities for growth and improvement, please share any ideas where you believe the tournament could have performed more efficiently or effectively.

- *A coffee station for coaches*
- *The website was not easy to use- I could not find info. I wish we'd had a bit more info by email, especially when changes were made compared to the year before. Thank you!!!*
- *Thank you for your hard work!*

AASCA Swimming 2019 - GUA-4

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Host: Guatemala

Arrival date: Wednesday March 13th

Icebreaker/Congresillo: Wednesday March 13th

Inauguration: Thursday March 14 at Gymnasium

Competition: March 14-16

Departure of delegations: Sunday, March 17th

School: American School of Guatemala

Official judges:

- 6 timekeepers
- 1 International FINA judge
- 1 Exit judge
- 2 Swimming Judge
- 3 Back judges
- 1 Senior Officer
- 1 Anouncer
- 1 Daktroniks electric system judge
- 1 event program officer

Categories:

- Girls & boys - 12 years old (Middle School)
- Girls & boys - 13-14 years old (Middle School)
- Girls & boys - 15 y 16 years old (High School)
- Girls & boys - 17 a 19 years old (HighSchool)

Events:

- 50, 100, 200 freestyle
- 50 backstroke
- 50 breaststroke
- 50 butterfly
- 200 IM relay
- Relay 4x50 freestyle
- Relay 4x50 Medley
- Relay 4x50 (doesn't score)

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Pool:

American School of Guatemala has full Daktronics equipment

- Touchpads
- Electric Scoreboard

Participation:

Happy days freedom (HND)

23 athletes

Country Day School (CR)

12 athletes

International School of Panamá

11 athletes

American Nicaraguan School

9 athletes

Lincoln School (CR)

17 athletes

American School of Guatemala

32 athletes

Escuela Internacional Sampedrana (HND)

7 athletes

Lincoln International School (NIC)

7 athletes

Colegio Maya (Gua)

1 athletes

Village School (GUA)

2 athletes

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Total # of athletes: ASCA SWIMMING 121 atletas

Final results per category:

MS Girls

- 1st place - American School of Guatemala
- 2nd place - International School of Panama
- 3rd place - Happy Days Freedom

MS Boys

- 1st place - American Nicaraguan School
- 2nd place - American School of Guatemala
- 3rd place - Happy Days Freedom

HS Girls

- 1st place - American School of Guatemala
- 2nd place - Happy Days Freedom
- 3rd place - Village School

HS Boys

- 1st place - American School of Guatemala
- 2nd place - Lincoln School CR
- 3rd place - Escuela Internacional Sampedrana

Sportsmanship & MVP's award were also given during the closing ceremony and each team in 1st, 2nd and 3rd place received a banner.

Expenses:

- Judges: Q20,000.00
- Medals: Q13,500.00
- Swimming pole flags: Q1,700.00
- Subway dinner (icebreaker): Q7,000.00
- Trophies: Q7,680.00
- Congresillo food (Coaches & AD's): Q2,000.00

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

Closing ceremony food for athletes: Q6,500.00

T-shirts for all coaches, AD's and staff: Q9,280.00

Live streaming: Q6,600.00

Total:

Q74,260.00 = \$9,606.72

Registration Fee:

\$7,662.50

*Two exonerations were made for the Nicaraguan Schools (ANS & LIA)

*Maya and Village paid \$20.00 per athlete since they only participated with 1(Maya) and 2(Village)

Feedback:

Being a 5 day event instead of 4 gave more room for competition and more rest for the student-athletes

Live streaming was a huge success and all countries involved were able to watch their schools compete and be part of the AASCA swimming tournament.

Parents from all delegations and countries were more than pleased with the hospitality shown by CAG and with the tournament overall

Having the full Daktronics equipment help with having a fair and exciting competition.

Alquiler de polideportivo	\$164
Total	\$13,543.79
Balance	-\$943.79

General comments and recommendations:

- Modify the manual so it includes a recognition to the teams that “win” the festival. This could be done by category (male and female). First, second and third place for each. Decide if this recognition will be done with a banner.
- Create a rubric that will help team members identify the MVP for each team. This rubric should be based on sportsmanship skills.
- The hosting school needs to receive the information requested on the registration form at least 3 weeks in advance. Not having this information harms the organization and balance of the teams.

ASSOCIATION OF AMERICAN SCHOOLS OF CENTRAL AMERICA

EIS, HONDURAS
