

Esteemed AASCA General Directors, Principals, and Knowledge Bowl Coaches,

Colegio Interamericano is pleased to invite all AASCA schools to participate in this year's Knowledge Bowl. The event will be held as a **virtual tournament** over three days from **November 9 – 11, 2022**. Although the venue is virtual via Google Meet, you will find that this year's event has been designed with several adjustments to allow for increased participation while laying a foundation for an easy transition to in-person competition in future years.

Because the structure of the tournament draw and the number of rounds each team gets to play will depend upon the number of schools that register, we are asking that all schools indicate their intention to participate no later than Wednesday, October 12, 2022.

Registration will be open to all AASCA schools and may include one Varsity and one JV team from each school. In order to confirm attendance, respond to the Forms link below:

[AASCA Knowledge Bowl Participation Survey](#)

Once we have received information from all schools that intend to participate, the draw and schedule will be created and all those who will attend. For those interested in the format and logistics of this year's event, consult the following:

[2022 AASCA Knowledge Bowl - Guidelines](#)

The cost for each participating team will be \$125 US and will be used by the organizers of this event to purchase the questions and arrange for the printing of certificates to be given to the competitors and coaches. In addition, banners will be printed and sent to the winning school and the runner-up in this year's Knowledge Bowl.

It is my hope that most schools will elect to participate. Feel free to contact the High School at Colegio Interamericano (mathew.rose@interamericano.edu.gt) or reach out on the AASCA Principals chat if you have any questions or concerns.

Best regards,

Mathew M. Rose
High School Principal
